

Salesfire

We are looking for a Front End Developer to join our team

Salary: Competitive

Location: Middlesbrough

Type: Permanent

Why we exist

Since first launching in 2017, Salesfire has grown to provide a personalised on-site experience to over four million customers a day. Over 500 online businesses in the UK trust our award-winning products to help them convert more visitors into customers.

We're determined to help eCommerce businesses compete in a competitive industry dominated by huge blue chip companies. Our service provides online retailers the products and solutions they need to create a personalised user journey and enhance their online shopping experience.

This has all been made possible through our talented team which has grown to over 40 strong and we are seeking a talented JavaScript developer with strong design sensibilities. We are looking for commercially minded individuals who are able to put themselves in the shoes of online retailers and bring about real change.

The part you'll play

- Build new features into the Salesfire website and customer dashboard
- Use the latest front-end technologies such as Vue, SSR and ES2015+ to keep our product up-to-date
- Practice disciplined software engineering (e.g. code reviews, writing clean and pragmatic code)
- Contribute to the front end coding standards
- Work alongside our design team to produce fast and easy-to-use interfaces

The skills you'll need

- Strong JavaScript development skills, understanding of new ES2015+ concepts and proficiency in Vue or other modern JS frameworks
- Experience developing large-scale application software
- Full knowledge of the DOM, new HTML5 constructs, and CSS3
- Experience with Single Page Application development
- Knowledge of the latest SaaS technologies
- Proficient in developing features and creating fulfilling user experiences
- A strong understanding of, and practical experience with, web application development
- A sincere commitment to crafting readable and reliable code
- An eye for detail and pixel perfection

The perks we offer

Our team is at the centre of our success and we ensure we offer the benefits and opportunities they deserve. At the heart of our collaborative culture is our newly refurbished Middlesbrough HQ and we've made sure it's a great place to work.

We provide the technology and equipment you need to carry out your role to the best of your ability, shared meeting and break-away spaces for when you need time away from your desk and a fully stocked kitchen of tea and coffee. In addition, we offer flexible working for a better work-life balance and regular social events.

We all need a break from work, so everyone gets 24 days paid holidays in addition to the public bank holidays.

How to apply

If you feel you would be a great fit to our team, please send your CV and cover letter to the email address below.
